(4) "Commission report" means a formal accounting rendered by all public depositaries to the commission in response to a demand for specific information made by the commission detailing pertinent affairs of each public depositary as of the close of business on a specified date, which is the "commission report date." "Commission report due date" is the last day for the timely filing of a commission report;

(5) "Depository pledge agreement" means a tripartite agreement executed by the commission with a financial institution and its designated trustee. Such agreement shall be approved by the directors or the loan committee of the financial institution and shall continuously be a record of the financial institution. New securities may be pledged under this agreement in substitution of or in addition to securities originally pledged without executing a new agreement;

(6) "Director of the department of financial institutions" means the Washington state director of the department of financial institutions;

(7) "Eligible collateral" means the securities or letters of credit enumerated in RCW 39.58.050 (5), (6) and (7);
